Dear Sirs,

We are pleased to officially inform you that the 106th FAI General Conference unanimously confirmed the admission of COLPAR (Confederación Latinoamericana de Paracaidismo) to International Affiliate Membership with effect as of 1st January 2013.

Please accept our congratulations. We look forward to working with you in the years ahead.

As described in FAI Statutes 2.6.2.1., which you can read at: http://www.fai.org/downloads/fai/fai_statutes, "*the rights, privileges and responsibilities of each International Affiliate Member shall be established at the time of affiliation. Any alterations in these rights and duties must be approved by the General Conference.*" The General Conference, therefore, agreed that COLPAR would be exempted from paying any membership fee and would not receive any voting rights. A Memorandum of Understanding (MOU), establishing your exact rights and duties, is currently under preparation by the FAI Executive Board and will be communicated to you very soon.

For any further information, please do not hesitate to visit the FAI website (<http://www.fai.org>) or to contact the FAI Head Office, especially our Members and Services Manager, Mrs Ségolène Rouillon (members@fai.org) who is dedicated to support you. She will be pleased to help you anytime.

We are very pleased to welcome COLPAR as International Affiliate to the FAI and hope this collaboration will lead in a greater involvement of South America in Air Sports.

With best regards,

Jean-Marc BADAN
FAI Secretary General
